

Courage to Soar			
2007 Mathematics			
Standards			
Oregon Mathematics			
Grade 3			
Activity/Lesson	State	Standards	
Soaring Higher	OR	MA.3.3.2.7	Analyze frequency tables, bar graphs, picture graphs, and line plots; and use them to solve problems involving addition, subtraction, multiplication, and division.
Controlling the Plane	OR	MA.3.3.2.7	Analyze frequency tables, bar graphs, picture graphs, and line plots; and use them to solve problems involving addition, subtraction, multiplication, and division.
Courage to Soar			
2007 Mathematics			
Standards			
Oregon Mathematics			
Grade 5			
Activity/Lesson	State	Standards	
Soaring Higher	OR	MA.5.5.1.7	Construct and analyze double bar, line, and circle graphs to solve problems involving fractions and decimals.
Controlling the Plane	OR	MA.5.5.1.7	Construct and analyze double bar, line, and circle graphs to solve problems involving fractions and decimals.
